

Nouvel Catholic Central Schools

Called by Christ to learn, love and lead... courageously.

June 2, 2022

Dear Nouvel Catholic Central Families,

On behalf of the NCCE/MS Athletics Association, we are delighted to introduce you to Michigan Health Clinic (MHC), who has graciously offered to perform our students' physicals for their next sports season, free of charge.

On Thursday, June 9 from 6 p.m. to 8 p.m., MHC will be offering free sports physicals for Nouvel Catholic Central rising 5th to 12th graders. Sports physicals will be performed at 3925 Fortune Blvd., Suite 1, Saginaw, MI 48603, just a few minutes from our Nouvel campuses. To make each student's exam time efficient and accurate, MHC will have 2 male and 2 female providers ready to complete physical exams, along with front desk staff to assist with paperwork, and medical assistants for blood pressure and vitals. Insurance information is not required, but parents will need to register their child upon arrival. Additionally, the MHSAA physical form, [view here](#), is required to play school sports. Please have this form filled out before arriving at their office to help streamline the process.

MHC is a fast-growing, local, multi-specialty clinic that offers services such as Dermatology, Pediatric Medicine, Family Medicine, Endocrinology, Rheumatology and much more. Soon, they will be offering Urgent Care Services at their building site in Saginaw Township. If you would like to get in touch with Michigan Health Clinic regarding anything specific, feel free to call them at (989) 341-5078 or email info@mihealthclinic.com.

We are very excited about our partnership with Michigan Health Clinic! Go Panthers!

Sincerely,

Ryan Zamora
